Here below are some features of the Acrylic Cosmetic Display :

**Versatile Design:** The Custom Acrylic Cosmetic Display with Mirror/Graphics offers a versatile design that can be tailored to fit a wide range of cosmetic products. Its clear acrylic construction allows for 360-degree visibility, making it easy for customers to view and select products.

**Built-in Mirror:** One of the key features of this Acrylic Cosmetic Display is the built-in mirror, which allows customers to try on makeup and see the results instantly. This can help to increase sales and improve the overall customer experience.

**Custom Graphics:** The Acrylic Cosmetic Display also features custom graphics that can be tailored to fit your branding and marketing needs. This can help to increase brand recognition and make your products stand out in a crowded retail environment.

**Durable Construction:** The Custom Acrylic Cosmetic Display with Mirror/Graphics is made from high-quality acrylic material that is both durable and lightweight. This makes it easy to move and reposition as needed, while also ensuring that it can withstand the rigors of regular use.

**Modular Design:** The modular design of this Acrylic Cosmetic Display allows for easy assembly and disassembly, making it ideal for use in a variety of retail settings. It can be easily reconfigured to fit different product lines or store layouts, and its compact size makes it easy to store when not in use.
