Product Description

Custom Clear Rectangular Acrylic Vase Acrylic Flower Box Displayed for wedding table top decor vase

Item Name	Acrylic Flower Box
Material	Acrylic
Size	12"X 2.5" X 4"

Here below are some features of the popular Acrylic Flower Box :

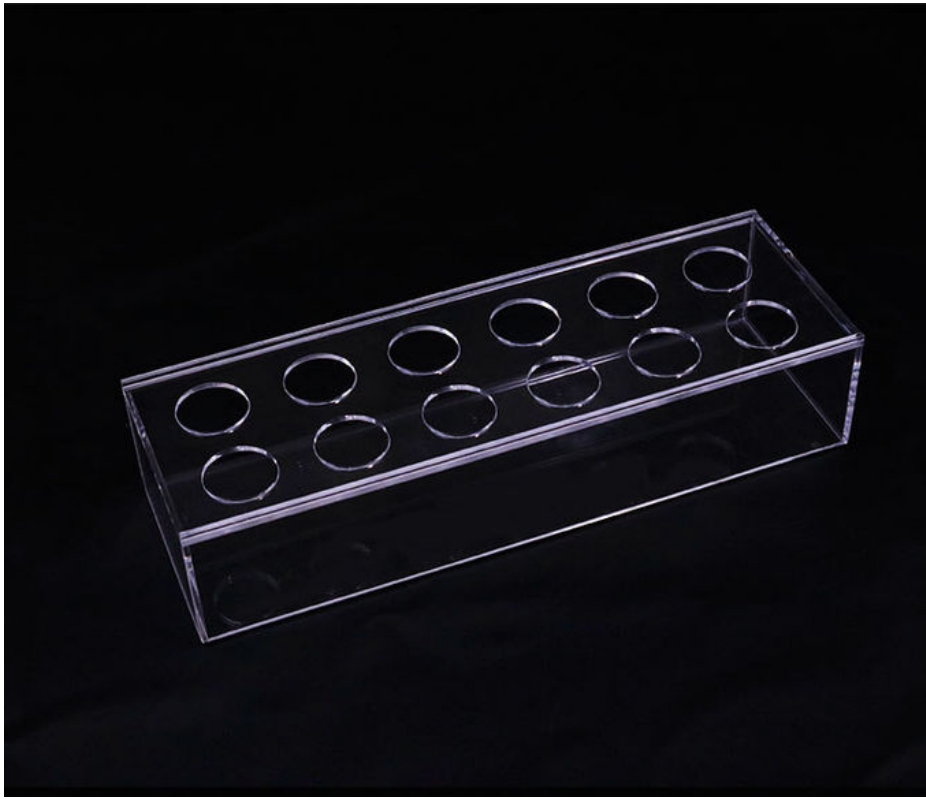

Clear Acrylic Material: The Acrylic Flower Box is made from clear acrylic, which is known for its transparency and ability to refract light, much like glass. However, acrylic is lighter and more durable than glass, making it a safer and more convenient choice for events like weddings.

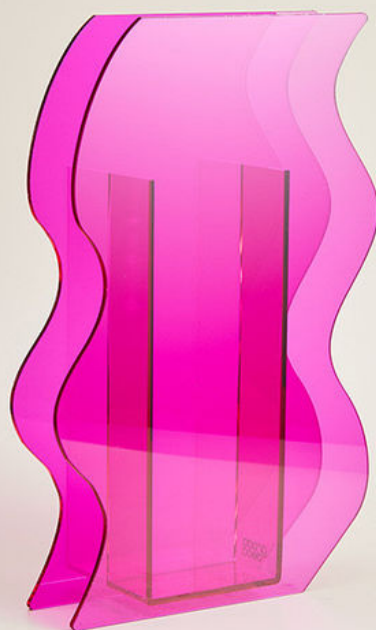

Rectangular Design: The rectangular shape of the Acrylic Flower Box adds a modern and stylish touch to any tabletop decor. It also provides a stable base for displaying flowers or other decorative items.

Customizable: As the name suggests, this Acrylic Flower Box can be customized to suit specific needs. This could include adding a personal message, the couple's names, or the wedding date. It can also be customized in terms of size to fit different types of flowers or table settings.
