Here below are some features about this Acrylic Picture Frame :

Clear Acrylic Material: The Picture Frame is made of clear acrylic, which gives it a sleek and modern look. The transparency of the acrylic allows the photo to be the main focus, while also blending seamlessly with various types of decor.

**Multi-functional Design**: This acrylic photo holder is designed to be multi-functional. It can hold photos of various thicknesses, and it comes with screws that allow you to easily switch out the photos. This makes it a great choice for people who like to frequently update their displayed photos.

**Standing Design with Screws**: The acrylic picture frame features a standing design, which allows it to be easily displayed on a table, desk, or shelf. The included screws not only secure the photo in place, but also provide stability to the frame when it's standing. This ensures that the frame remains upright and the photo remains visible.
