Here below are the main features of the Lucite Tray :

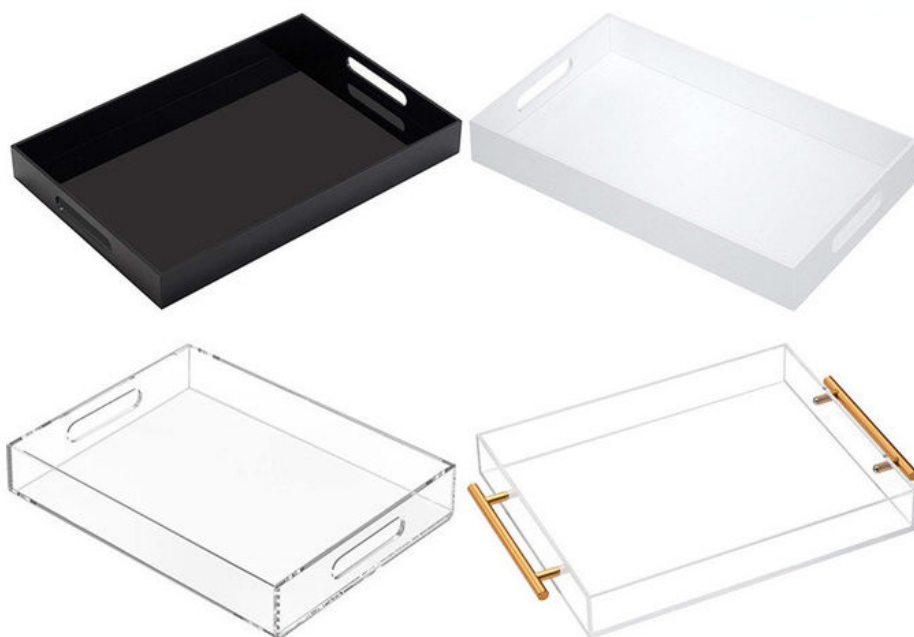

Clear Design: The clear acrylic material of these trays allows for easy visibility of the contents inside, making them perfect for serving food, displaying items, or organizing small objects.

Stacking Design: These trays are designed to stack on top of each other, allowing for easy storage and transportation. This feature also makes them great for use in small spaces, as they can be stacked vertically to save room.

Handles: The handles on these trays make them easy to carry and transport, whether you're using them for serving food at a party or organizing items in your home or office. The handles also add a touch of style and sophistication to the trays, making them a great choice for any occasion.
