#### Here below are the key points of this rainbow acrylic side table:

**Iridescent Acrylic Material:** The acrylic side table is made of iridescent acrylic, which gives it a unique and eye-catching look. The iridescent finish creates a beautiful rainbow effect that changes with the light and viewing angle, adding a touch of color and whimsy to any room.

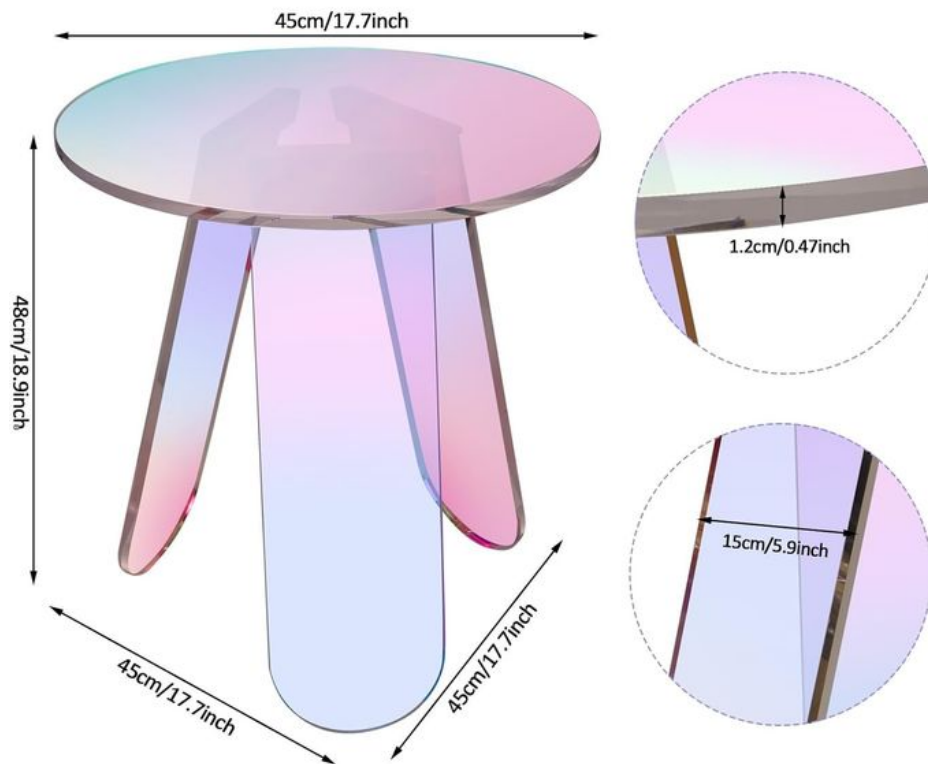

**Round Shape and Nordic Design:** This acrylic side table features a round shape and a Nordic design, which gives it a modern and stylish look. The round shape is not only aesthetically pleasing, but also practical, as it eliminates sharp corners and makes the table safer in a busy household.

**Functional and Versatile:** The acrylic side table is designed to be functional and versatile. It can be used as a coffee table, a side table, or even as a decorative piece. Its transparent nature also allows it to blend seamlessly with various types of furniture and decor, making it a great addition to any living room.
