## Product Description

### Clear Acrylic Purse Display Box Storage Boxes Acrylic Favor Boxes Acrylic Cosmetic Storage

About this item

Essential for Purse Collectors

Elevate your purse storage with our clear acrylic display box. Unlike a purse hanger, this display box better protects your bags from deformation. Give your purse collection the superior care it deserves.

High Transparency & Magnetic Door

Enjoy a 360-degree clear view of your favorite bags with our handbag storage organizer. The magnetic door design allows for easy access, helping you find the right bag in seconds without opening every box. It's both time-saving and stylish.

Sturdy & Stackable Storage

Crafted from durable acrylic with a 6mm thickness, these storage bins offer stability and a smooth, comfortable touch. The slot design in the 3-pack display cases lets you stack and organize your handbags efficiently, maximizing your space and meeting your storage needs.

Large Capacity for Versatile Use

Each upgraded handbag storage box measures 14.2" x 8.3" x 10.8" and can be positioned horizontally or vertically. Suitable for bags up to 13.2" x 7.2" x 10", such as handbags, shoulder bags, and wallets. Ideal for organizing scarves, shoes, crafts, toys, books, and more.

Easy Assembly & Excellent Service

No tools required for assembly—each box can be set up in minutes. In case of any damage during transportation, we offer a hassle-free return and exchange service to ensure your satisfaction.
