Product Description

Custom Clear Plexiglas Number Award Block Number 5 with Printing for Company Events

Material	Cast Plexiglas
Size	6" High
Sample time	2-3 days

Here below are some features of the Plexiglas Number Block:

Professional Appearance: Custom clear plexiglas number awards have a sleek, modern, and professional appearance. The transparency of the plexiglas allows for a unique, three-dimensional look that traditional awards can't match. When combined with high-quality printing, these awards can beautifully showcase a company's logo, colors, and message, making them a great choice for company events.

Durability: Plexiglas is a type of acrylic glass that is known for its durability. It's stronger and more shatter-resistant than traditional glass, making it a safer choice for events. It's also lightweight, which makes it easy to transport and handle. The printing on plexiglas awards is also durable and won't fade or peel over time, ensuring the award remains looking great for years to come.

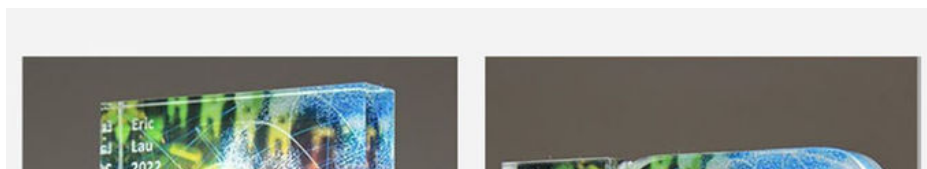

Customization: Plexiglas awards can be easily customized to suit the specific needs of your company event. You can choose the size, shape, and thickness of the award, as well as the design and color of the printing. This allows you to create a unique award that perfectly represents your company and the achievement it's recognizing. Additionally, the clear nature of plexiglas allows for versatility in design, as it can be paired with any color or design scheme.
