Product Description

Wall Mounted Wave Shape Acrylic Tissue Box for Kitchen Hotel Bathroom Toilet Paper Towel Storage Box

Item name	Acrylic Tissue Box
Material	PMMA /ACRYLIC
Size	23 x 12 x 12 cm

Wave-shaped acrylic tissue box for use in spaces such as a kitchen, hotel, bathroom, or toilet. This type of product is a stylish and practical solution for storing paper towels or tissues. Here are some key features you might look for:

Wall-Mounted: This feature allows the box to be installed on the wall, saving counter or table space. Make sure the product comes with all necessary hardware for installation, and check that it's suitable for your wall type.

Wave Shape: The wave shape can add a modern and unique touch to your decor. It might also make it easier to pull out tissues or towels.

Acrylic Material: Acrylic is a durable, lightweight, and easy-to-clean material. It's also transparent, which lets you see when you're running low on supplies.

Size: Ensure the box is large enough to hold standard-sized tissue boxes or rolls of paper towels.

Ease of Use: Look for a design that makes it easy to dispense tissues or towels. Some boxes have an opening at the top or front for this purpose.

Quality and Durability: Check customer reviews to get an idea of the product's quality and durability. You want a box that will last and won't easily break or fall off the wall.
