Here below are some features of the Acrylic Display :

Round Shape Design: The display holder features a round shape design that is modern and visually appealing. This design allows for a 360-degree view of the displayed items, ensuring that customers can see the products from all angles.

High-Quality Acrylic Material: The display holder is made of high-quality, transparent acrylic material. This material is durable, long-lasting, and resistant to scratches and other types of wear and tear. The clear acrylic ensures that the displayed items are easily visible, making it an excellent choice for showcasing cosmetics, perfume, jewelry, or other small items.

Pre-Assembled for Convenience: The display holder comes pre-assembled, making it easy to set up and use right out of the box. This saves time and effort for the retailer, ensuring that the display is ready for use as soon as it is received. The holder can be placed on a countertop or mounted on a wall, depending on the retailer's needs.
