Here below are some features for the Custom Clear Acrylic Pendant Display Necklace Holder with Brushed Finishing for Jewelry Store:

Elegant and Modern Design: The clear acrylic material provides a sleek and modern appearance, while the brushed finishing adds a touch of elegance and sophistication. This combination creates a visually appealing display that complements any jewelry store aesthetic.

Customizable to Fit Specific Needs: The display holder can be customized in terms of size, shape, and the number of tiers or compartments to fit the specific needs of the jewelry store. This customization ensures that the holder can accommodate various types and quantities of necklaces and pendants.

Durable and Easy to Maintain: The acrylic material is known for its durability and resistance to scratches, stains, and discoloration. The brushed finishing also helps to hide minor scratches and fingerprints, ensuring that the display holder maintains its elegant appearance over time. Additionally, the holder is easy to clean, requiring only a simple wipe with a damp cloth.

These features highlight the elegant design, customization options, and durability that make the Custom Clear Acrylic Pendant Display Necklace Holder with Brushed Finishing a highly appealing and valuable product for jewelry stores.
