Here below are some key features for the Custom Black Acrylic Cone Ring Holder Plexiglas Cone Holder for Jewelry Store:

Sleek and Modern Design: The ring holder is crafted from high-quality black acrylic material, providing a sleek and modern appearance. The cone shape adds a unique and eye-catching element to the display.

Customizable Size and Configuration: The cone ring holder can be customized in terms of size, height, and the number of rings it can accommodate. This customization ensures that the holder can be tailored to fit the specific needs and inventory of the jewelry store.

Durable and Easy to Maintain: The acrylic material is known for its durability and resistance to scratches, stains, and discoloration. The black color also helps to hide minor scratches and fingerprints, ensuring that the display holder maintains its elegant appearance over time. Additionally, the holder is easy to clean, requiring only a simple wipe with a damp cloth.

These key features make the Custom Black Acrylic Cone Ring Holder a stylish, versatile, and durable choice for displaying rings in a jewelry store.
