Here below are some features for an elegant acrylic cosmetic display set designed for makeup or skincare chain shops using Plexiglas:

### High-Quality Construction and Finish:

*Durable Plexiglas Material:* Ensures the display set is robust, lightweight, and resistant to scratches and discoloration.

*Polished Edges and Corners:* Provide a smooth, elegant, and safe design, reducing the risk of injury.

*Consistent and Seamless Appearance:* Creates a cohesive and professional look throughout the display set, reinforcing the brand's image.

### Integrated Organization and Marketing Tools:

*Built-in Dividers and Compartments:* Keep products organized, prevent clutter, and make it easy for customers to find what they need.

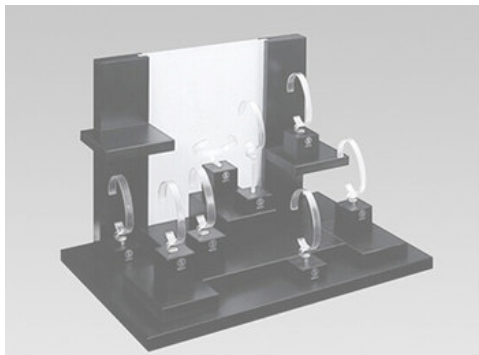

*Tester and Sampling Sections:* Incorporate designated areas for customers to try products, encouraging engagement and driving sales.

*Promotional and Educational Materials:* Include sign holders, brochure pockets, or digital screens to communicate product benefits, usage instructions, or special offers. This helps inform customers and promotes brand messaging.

By incorporating these features, the elegant acrylic display set will effectively showcase makeup or skincare products, optimize retail space, and create an engaging and visually appealing shopping environment in chain shops. Additionally, the high-quality construction and integrated marketing tools will help reinforce the brand's image and enhance the overall customer experience.
