Here below are some features for the Ripple Pattern Acrylic Dessert Stand:

Ripple Pattern Acrylic Design: The dessert stand is crafted from high-quality acrylic material featuring a ripple pattern, providing a unique and elegant appearance.

Stone Texture Base: The stand features a base with a stone texture, adding a natural and rustic element to the design.

Versatile and Functional Design: The stand is designed to be versatile and functional, suitable for displaying a variety of desserts, cakes, and pastries at weddings, high-end banquets, and afternoon tea events.

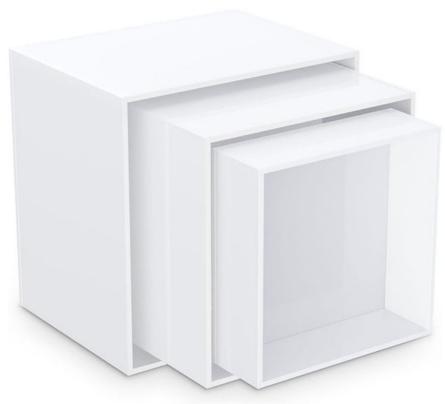

These features make the Ripple Pattern Acrylic Dessert Stand with Stone Texture Base a stylish, versatile, and functional choice for displaying desserts at weddings, high-end banquets, and afternoon tea events.
