Package	PP Bag, bubble bag, individual box

Here are below are some features for the Stylish Rotating Acrylic Double-Side Photo Frame with Custom UV Printing for Home Decor:

Stylish Rotating Design:

Description: The photo frame features a stylish rotating design, allowing users to easily switch between two photos or display items.

Benefit: Provides flexibility in displaying different photos or items, making it a versatile and functional choice for home decor.

Acrylic Material with Custom UV Printing:

Description: The photo frame is crafted from high-quality acrylic material, with custom UV printing that allows for personalized designs and images.

Benefit: Allows users to add a personal touch to the photo frame, making it a unique and sentimental addition to any space. The UV printing ensures that the design remains vibrant and long-lasting.

Double-Side Display:

Description: The photo frame features a double-side design, allowing users to display two photos or items simultaneously.

Benefit: Provides twice the display space, enabling users to showcase multiple memories or decorative items in a single frame. The double-side design also adds a touch of elegance and sophistication to the overall presentation.
