Here below are some features for the Creative Solid Wood and Acrylic Double-Sided Plant Specimen Transparent Frame:

- 1.Unique and Versatile Display:**The double-sided design allows for versatile display options, enabling you to showcase plant specimens, photos, or other memorabilia from both sides. This makes it an excellent choice for adding a personal touch to any space.
- 2.High-Quality Materials and Craftsmanship:**Crafted from solid wood and acrylic, this frame offers durability and a premium look. The original wood color adds a natural, rustic charm that complements various decor styles, while the acrylic ensures a clear and protected view of the displayed items.
- 3.3D Visual Effect:**The transparent acrylic and double-sided design create a striking 3D visual effect, making your displayed items stand out. This adds depth and dimension to your wall decor, creating a captivating focal point in any room.
